Recognizing the fact that there is a potential for accidents whenever livestock use is involved which can cause serious injuries to riders, livestock and spectators and recognizing the fact that Back Country Horsemen Chapters, officers, directors, or members cannot always know the condition of trails or the experience of the riders or animals taking part in BCH functions, I do hereby release the above mentioned from any claim or right for damages which might occur to me, my minor children, and/or my livestock.

We encourage anyone riding/working in the outback to apply to LifeFlight and receive an annual membership for emergency medical help. Our Association receives a discount for the membership but must be requested from LifeFlight.
